

**YESTERDAY...OUR SOLID HISTORY**

Arrow Truck Sales, Inc. was founded in 1950 and has grown to become a leading source of pre-owned trucks. From the beginning, Arrow followed the principle of providing high-quality, pre-owned vehicles to customers who wanted to maximize the value of their money. And the very same philosophy still holds true today.

**TODAY...CUSTOMER SATISFACTION**

Arrow places a high value on the reputation we've built throughout the North American trucking industry. Our pledge: We are not going to jeopardize our reputation for the sake of avoiding a little work or for a short-term profit based on misleading practices.

**TOMORROW...STRENGTH FOR THE FUTURE**

Arrow Truck Sales, Inc. is part of the Volvo Group of companies. While we still sell all makes and models of trucks, Volvo's added size and strength will help us continue to grow to meet the needs of the used truck industry.
