## WAIVER

### NEXT TO YOUR HOME, YOUR TRUCK

is probably the largest purchase you will

make. It is one of your most important

assets, but it also accounts for a major

part of your debt. In the event that you die

unexpectedly, that debt can become an

unwelcome burden to your family.

**Y**ou can protect your family's financial security by adding Arrow's Debt Waiver option to your finance agreement.<sup>1</sup>

The Debt Waiver Program is a non-insurance debt waiver agreement that cancels the outstanding indebtedness on your loan in the event of your death and releases complete ownership of your truck to your estate. The cost of the waiver is only pennies per day and may be added to your loan balance and included in your monthly payment.

### Benefits of Debt Waiver

- Protects your family's financial security by waiving the remaining loan obligation<sup>2</sup>
- Broad protection with few limitations
- No medical exam required<sup>3</sup>
- Affordable protection - just pennies per day for most loans
- Fee may be included in your monthly loan payment
